NFL Game Plan 200 **New for 72**

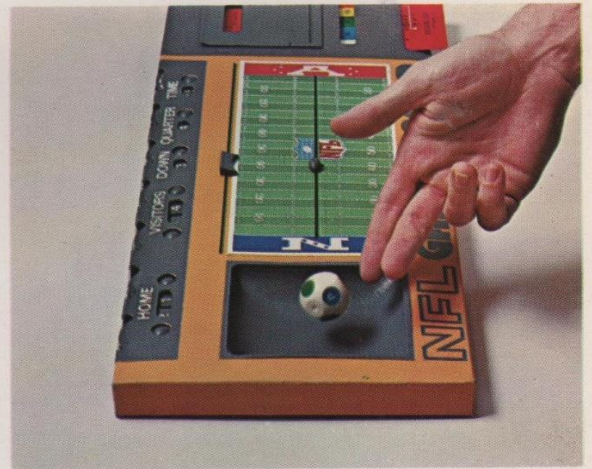

Officially sanctioned by the

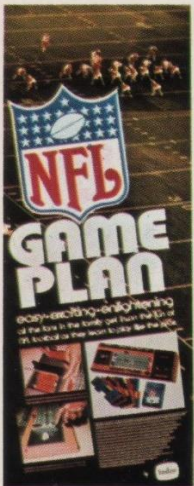

- The fast pro-tactics game for the whole family.
- This new game bridges the gap between the live action of NFL Electric Football and the mental challenge of NFL Strategy.
- It's the first pro-tactics game for the whole family. It has the mass appeal that guarantees extra volume sales.
- 16 different offensive plays with authentic play diagrams. Each play card tells you what defenses are effective against your play.
- 16 different defensive combinations. You set your line formation and defensive secondary separately.
- Unique result ball determines statistically correct yardage of each play—quickly, simply.
- Handsomely illustrated game plan playbook written by the National Football League staff helps you to analyze and understand the game and the thinking of pro quarterbacks and defensive captains.

Set defense—insert desired play card.

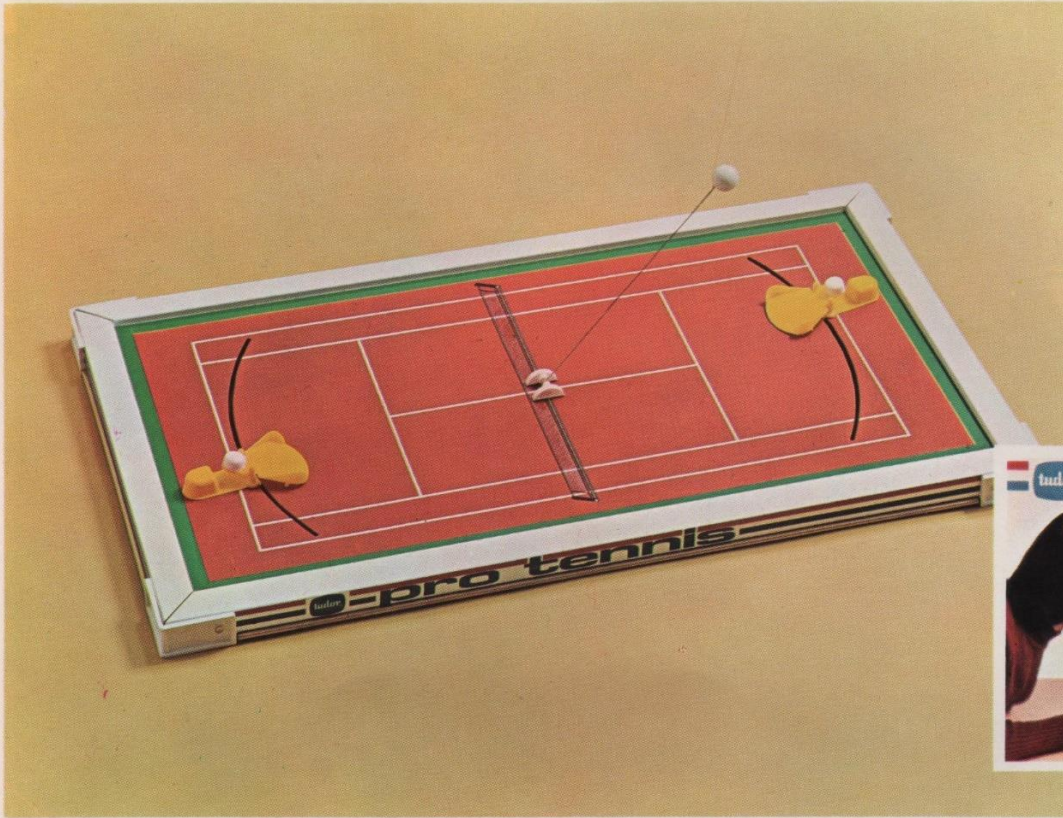

Roll result ball for play yardage.
